

A 5 minute treatment in the Relax Far Infrared Sauna should convince you that the Relax FIR Sauna is the Real Thing.

We recommend 20 minute treatments in the Relax Sauna, and encourage you to find a place where you can experience a complete sweat in the Relax Sauna.

It takes about 8 minutes to start sweating. In 15 minutes you are dripping, and in 20 minutes you have had a complete sweat.

Far infrared Light is the light that is in harmony with the energy that we as human beings emit. It is warming, soft, relaxing & extremely therapeutic. It is the photosynthesis light from the sun.

“I cannot believe how good it feels in 30 seconds”

This was the comment of 2 well-known authors , one an MD, the other a PHD.

Many use the Relax Sauna in conjunction with other detox treatments. The incredible effects of those programs can definitely be enhanced by also using the Relax Sauna.

You can feel & see the difference between the Relax Sauna generator, and all other FIR Light emitters. The Relax Sauna FIR Radiators are akin to very powerful motors, and produce 100% FIR Energy.

2 radiators -1500 watts generate 100%
- FIR light 4-14 microns

20 of these patented
semi-conductor chips are
in each of the 2 radiators.

Some of the reasons why Consumers & Health Professionals prefer the Relax Sauna to other Far Infrared Saunas:

Highest Quality Sauna - More professional than even the wooden saunas - 100% Far Infrared Light

1. The Relax Sauna is the only Professional Model Portable Sauna. Our customers want the highest quality FIR Saunas.
2. The Sister product (Sky Eye Radiator) uses 1 of the Relax Sauna FIR radiators, and is listed with FDA as medical device.
3. You will not find a more pure source of Far Infrared Light. The semi-conductor chip only allows 4-14 microns FIR Energy.
4. The Relax Sauna is 5-10 times more powerful than the less expensive primitive saunas made in china, and in 1/2 the time.

Portability - easy to set up - easy to travel - comes with own chair - fits in carrying bag or even a suitcase

5. They love the portability of the Relax Sauna, and it only takes 4 minutes to set up, and 2 minutes to tear down.
6. They have space for it in their home or office. The footprint is only a 2 feet, 8 inches square, and less than 4 feet tall.
7. Completely Portable with its own carrying case. Weighs just 18 lbs. The tent Folds easily, AND compactly.
8. Easy to take care of and clean . Turn the Sauna on after use, for 5 minutes, and it kills all bacteria. Costs 12 cents an hour.

You have the Choice to Not have your head in the Sauna, or if you like you can put your head in the sauna.

8. They love the fact that you have the option to keep your head out of the sauna so you can breathe, and not get a hot head.
9. For those who want to put their head inside, it is very easy to simply duck your head, and be totally inside the sauna.

The reflecting silver tent - acts ike a mirror so every part of your body is within 1 foot of an FIR Energy Source

10. Every part of your body is in front of a source of Far Infrared Light Energy, as the reflecting tent is ricocheting the light.
11. If you sit in a 2-person wooden sauna by yourself, in order to absorb Far Infrared Light, you must sit in front of the panels.
