

Relax FIR Sauna

It is easy to set up the Relax Sauna. It takes about 2 minutes.

quality insulated chair
comes with each sauna

2007 model radiator with 3 prong plug
The 2008 model has 2 switches, one
for each radiator.

20 of these patented
semi-conductor chips are
in each of the 2 radiators.

Bathing in the healing Far Infrared
Light can make you smile !

Chips are programmed to filter out all of the NON-
HEALING energies. You get only Far Infrared Light.
Only this healing light (4.4-14.4 m) is absorbed by you.
